Preliminary Report of the Survey of Citizens in Ube City about Community Social Welfare.

Kazunori ITOH, Tetsuhiro KONDOH and Shinyoung PARK

(Department of Nursery Education)

**Abstract** — Local governments have taken responsibility to prepare their own community social welfare plans in accordance with the Social Welfare Law amended in 2000. It is required that local governments settle on their community social welfare plans while reflecting local populace's opinion enough. Therefore, when the second Community Social Welfare Plan in Ube City and the fourth Community Welfare Action Planning in Ube City is settled on, Ube City and the UBE City Council of Social Welfare jointly executed the questionnaire survey to the Ube citizens. This report shows the news flash about a part of the result of this survey.

**Key Words** — Ube city, Community Social Welfare Plan, community welfare, questionnaire survey
